

## Invitation

Scientific Symposium on  
Selected Topics of Semiconductor Physics  
in memory of  
**Prof. Frederick Koch**  
\*1. Juni 1937 †29. Juli 2012

November 23, 2012  
Physik Department, TU München in Garching  
Rudolf Mößbauer Lecture Hall (Hörsaal I)

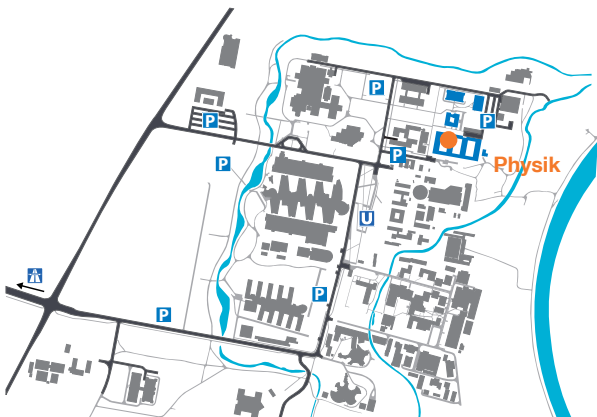

## Program

- 14:00 - 14:30 Gerhard Abstreiter, TU München  
*“40 Years of Semiconductor Physics at TUM”*
- 14:30 - 15:00 Jörg P. Kotthaus, LMU München  
*“Spectroscopy of Quasi-Particles Trapped in Field-Effect Devices”*
- 15:00 - 15:30 Klaus von Klitzing, MPI FKF Stuttgart  
*“Spin Resonance in Two-Dimensional Electron Systems”*
- 15:30 - 16:00 Bruno K. Meyer, Universität Giessen  
*“Wide Band Gap Oxide Semiconductors”*
- 16:00 - 17:30 Informal Discussions with Coffee, Cake and Bavarian “Brotzeit”

**Organizers:** Gerhard Abstreiter, Jonathan J. Finley, Martin Stutzmann
